CU Lease Plans and Clark County Credit Union Announce Equipment Leasing Program

Phoenix, AZ—May 15, 2006—Phoenix-based CU Lease Plans and Clark County Credit Union, headquartered in Las Vegas, Nevada have entered into an agreement establishing an equipment leasing program for the business members of Clark County Credit Union.

The CU Lease Plans program is available to Clark County Credit Union business members in a broad range of industries. The program allows the business member (lessee) to select equipment of their choice from the supplier of their choice and enables Clark County to offer their business members 100% financing for as much as \$500,000 of their business equipment needs, with terms of one to five years. The business member may also obtain pre-approval for their lease while continuing to shop for the very best equipment price.

Matt Kershaw, Commercial Loan Officer for Clark County stated, "We are committed to meeting the needs of our business members and recognize that flexible equipment leasing options are an important component of a complete business financial services package. This program will represent a significant expansion of the services offered to our business members."
